THANKSGIVING

There is something purely American about our observance of Thanksgiving Day—something of the abounding plenty of a country of vast untold resources—something of the simple faith and rugged gratitude of the early fathers. As long as we hold to the spirit of Thanks-giving, the spirit of hardy pioneers who founded a great empire, America is safe. Thanksgiving is the most American of all our holidays, for more than any other it expresses the real spirit in which this country was founded.

We, Americans have much for which to be thankful, both as a nation and as individuals. Ours is a splendid material prosperity. Everywhere there is the hum of fruitful activity. The ordinary everyday average American enjoys a standard of living undreamed of by the common people anywhere else in the whole earth. And then, too, despite certain indications to the contrary, we have abundant evidence that the great heart of America still beats true to the principles of the fathers.

America still believes in the God of her fathers, who has kept her and prospered her and who still guides her destiny.

PHYSICAL DEPARTMENT

Our Volley Ball players of whom we are justly proud and now talking of entering the regional tournament this spring. This means they will meet some of the best white teams in the middle west and our strength will be severely tested.

The public schools are using our gymnasium on Tuesday and Thursday afternoons for their Basket Ball League games. These games are very interesting and all our friends and members are invited to come in and see their boys in action.

Come in and take a SWIM. The water in the pool is being heated daily and all members are urged to come in and take a dip. Swim the year around is our slogan and a dip a day will keep that fatigue feeling away. We swim after all gym classes.

The last scheduled games of our Fall Volley Ball League should be played Saturday, November 29th, but on two Saturdays we did not have league games and those postponed games will be played on December 6th and 13th.

The schedule is as follows:

PINE STREET VOLLEY BALL TEAM WINS INTER-STATE CHAMPIONSHIP

The first volley ball tournament ever attempted by our Associations was promoted by Indianapolis Y. M. C. A. last Saturday. Chicago, Columbus, Indianapolis, and St. Louis were entered and some real enthusiasm was aroused by the snappy games played by these four teams. A large crowd witnessed the games and undoubted the tournament idea will be a yearly affair.

The captains assembled in the afternoon and drew: the result being Chicago played Indianapolis and Columbus, St. Louis. Indianapolis found Chicago an easy foe and won handily. The Columbus St. Louis set was more interesting. Columbus won the first game 15 to 13 but St. Louis settled down and won the next two by decisive scores. The two visitors of these preliminary games were scheduled to play at eight o'clock in the evening.

Captain Garrett's men were in command of the situation and the games were not as close as the score indicated. The first game of the final match was won by Indianapolis. This pleased the crowd and every Hoosier fan was so excited he could hardly hold his seat. The regulars then took the floor and from then on it was a real fight. St. Louis took the second and third games. Indianapolis the fourth and St. Louis the fifth and set game.

A large silver loving cup was presented to Captain Garrett at the delightful banquet given for all the teams and accompanying rooters. Mr. Garrett in his response laid special stress on the sportsmanship of all the players and on the hospitality shown us by the Indianapolis Association. It was a great trip and was greatly enjoyed by the team and about forty St. Louisans who made the trip with them.

St. Louis Team, Champion of Ohio, Illinois, Indiana and Missouri was composed of the following men: G. J. Dixon, C. A. Hancock, J. P. Tate, L. S. Williams, W. H. Tyler, G. B. Key,

GYM GYNGLE

"Tournament Tingle"

Sing a song of Volley Ball
Chicago played it fine
But 'long come those Hoosier boys
And knocked em out o' line.

Sing a song of hard luck
Columbus couldn't tell
How it felt to lose a game
'Til "Pine Street" taught em well.

Sing a song of bacon
"Pine Street's" favorite dish
Indianapolis caught a smell
But lo, it was COD FISH.
"Y"-etry.

Milton (Red) Moore is becoming a regular "Pine Street" good fellow.

Don't forget the Big Bean Banquet next week.
